A top-down view of a light blue ceramic plate filled with a variety of foods. The main component is a salad consisting of dark green leafy vegetables, bright pink pickled vegetables (likely radishes), and sliced almonds. To the right of the salad is a whole, ripe avocado with its characteristic green skin and dark green flesh. In the bottom left corner of the plate is a fried egg, cooked sunny-side up, with a small pool of yellow oil and black pepper around it. To the right of the egg are several golden-brown, fried dumplings or fritters. A small pile of black pepper is also visible on the plate. The plate is set on a light-colored wooden surface, and a small glass of yellow juice is partially visible in the upper right corner.
