

# THREE

ORAL CARE

Wednesday, December 4, 2019: Launch

Switch on and off with oral care.

Switch on when you wake up in the morning, get yourself refreshed even when outside, and switch off before you go to bed.

Oral care designed to make your busy days more beautiful and keep you healthy. The refreshing scent turns your oral care routine to a more relaxing moment.

### THREE Purifying Toothpaste

<Toothpaste> 98% naturally-derived ingredients  
70g 2,200 yen (excluding tax)

---

Take a break and feel refreshed with the fresh scent of essential oils.

A toothpaste with fossilized coral powder which removes stains and whitens your teeth. Reduce breath odors and dry mouth in the morning by brushing your teeth before going to sleep. The refreshing feel and the slight sweetness of the toothpaste delivers an irresistible comfort.

Main moisturizing and emollient ingredients, humectants, flavorings

[Essential oils] Tea tree oil, Bergamot fruit oil, Mandarin orange peel oil, Rosemary oil

[Botanical and mineral waters] Plum fruit water, Hot spring water, Alpinia water, Apple fruit water

[Botanical extracts] Myrrh extract

Abrasives Fossilized coral powder

<How to use> Squeeze onto a toothbrush and after brushing your teeth and the gums, rinse thoroughly.

### THREE Purifying Intimate Oral Wash

<Mouthwash> 98% naturally-derived ingredients  
8mL × 15 packets 3,000 yen (excluding tax)

---

Take them with you for easy oral care.

Mouthwash prepared in packets to treat bad breath and discomfort of dry mouth which can be caused by an irregular lifestyle or lack of sleep - and other small things that can disturb you. The refreshing feel of the high-quality essential oils and plant-derived ingredients is perfect for when you can't brush your teeth, or for finishing up your oral care routine.

Main moisturizing and emollient ingredients, humectants, flavorings

[Essential oils] Tea tree oil, Bergamot fruit oil, Mandarin orange peel oil, Rosemary oil

[Botanical and mineral waters] Hot spring water, Kumazasa water, Alpinia water, Apple fruit water

[Botanical extracts] Tea extract, Rosehip extract

<How to use> After brushing your teeth as usual, rinse the mouth with one packet of mouthwash before spitting out.
