Hair beauty created from cleansing care.
CONCEPT

Released on Wednesday, June 5, 2019

Beauty starts with cleansing.
Create a scalp and hair that is unswayed by the environment.

THREE believes that hair care is one part of the daily routine to maintain a healthy mind, body, and skin.
Based on the environment in which we live today, the THREE SCALP & HAIR series was formulated and designed to restore the correct homeostasis* for each person.

The most critical first step towards this goal is cleansing.
To achieve unwavering beauty while enjoying daily hair care that feels good.
We see cleansing as an important step in hair care for achieving good results and you can effectively boost your hair’s potential with our unique cleansing method.

Beauty starts with cleansing.
Since the creation of the brand in 2009, THREE that has applied this theory with skin care has continued to deliver the importance of the origin of holistic care together with a real sense of results.

*Homeostasis: The power to maintain a healthy condition

SCALP & HAIR Feature ingredients used in the series

Angelica furcijuga extract  (Angelica furcijuga leaf and stem extract)
Useful botanical ingredient that was treasured by the Satsuma Domain from the Edo period. Was successfully artificially cultivated in the mid-1960s and has been revived in the modern day as an excellent active botanical ingredient. The ingredient’s richness bestows ample possibilities so that it can fight hair damage and scalp stickiness.
### SCALP & HAIR LINEUP

HOW TO USE SCALP & HAIR

TREATMENT REMOVER
• Use on dry hair and scalp. • Amount to use: As necessary to suit condition of scalp and hair.

1. Apply to scalp
Divide hair into sections and directly apply oil to the scalp using a dropper.

2. Cleanse and massage
On the front and sides apply from the hairline to the whorl. On the back, apply in a line from the whorl to the nape of the neck.

Use fingertips to rub in the applied product in a zigzag motion to cleanse and dissolve the buildup in the pores.

On the front of the head massage from the hairline to the whorl and on the back of the head from the whorl to the nape of the neck and then rinse thoroughly.

SHAMPOO
• Pre-wash by wetting hair all the way to the scalp.
• Amount to use: An amount approximately the size of a 100-yen coin for short hair, a 500-yen coin for medium hair and two 100-yen coins for long hair.

1. Apply to hair
Apply a line with a width of 5 cm from the hairline as if putting on a headband. Apply a full circle from the front of the head to the nape of the neck.

2. Wash front of head
Wash the scalp and hair roots by moving fingertips in vertical lines from the hairline to the whorl.

3. Wash back of head
Wash, moving from the bottom to the top of the scalp and rub in further, massaging the entire scalp. Rinse thoroughly.

CONDITIONER
• Use after thoroughly squeezing out excess water from your hair.
• To keep the effects, be careful not to wash too thoroughly.
• Amount to use: An amount approximately the size of a 100-yen coin for short hair, a 500-yen coin for medium hair and two 100-yen coins for long hair.

1. Apply and massage
Damaged hair
Apply from the hair tips. First apply thoroughly to the hair tips, and then apply remaining conditioner to the rest of the hair and scalp.

Undamaged hair
Apply from the scalp. First apply thoroughly to the scalp, and then apply remaining conditioner to the rest of the hair down to the tips.

2. Massage front of head
Use fingertips to squeeze the scalp firmly, massaging from the front to the top of the head.

3. Massage back of head
Massage the entire back of the head from the bottom towards the top and from behind the left and right ears towards the middle of the head. Rub in firmly, moving the skin. After letting it absorb for 3-5 minutes, rinse lightly for 10-20 seconds.
